

HARVEST & EFFORT REPORTING

All holders of an Alberta special hunting licence are required to complete their harvest and effort surveys. Failure to submit your reporting will result in restrictions on the eligibility to apply for future special licence draws and the requirement of a survey fee to restore that privilege.

Reminder: You are required to complete your reporting even if you did not harvest a species.

SIMPLE STEPS TO COMPLETE HARVEST AND EFFORT REPORTING

Reporting can be completed in the AlbertaRELM App or online at AlbertaRELM.com

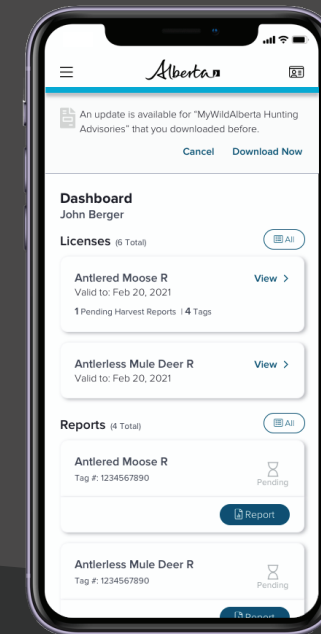

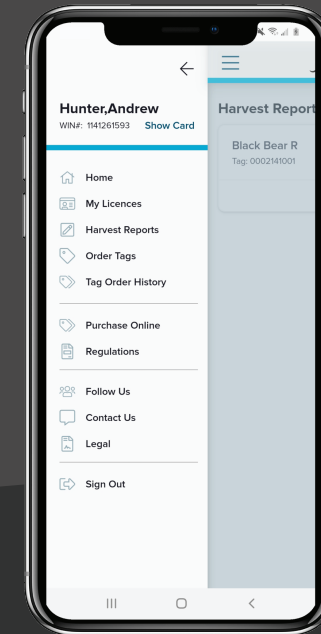

REPORTING ON AlbertaRELM App

Available:

1 Open the App to access reporting from the dashboard or menu.

2 Select Harvest Reports and answer the questions to complete your reporting.

3 You're all set!

REPORTING ON AlbertaRELM.com

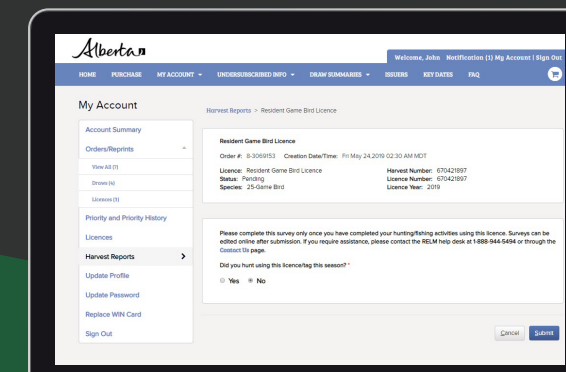

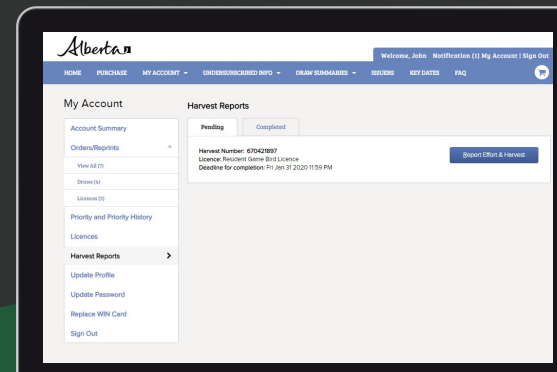

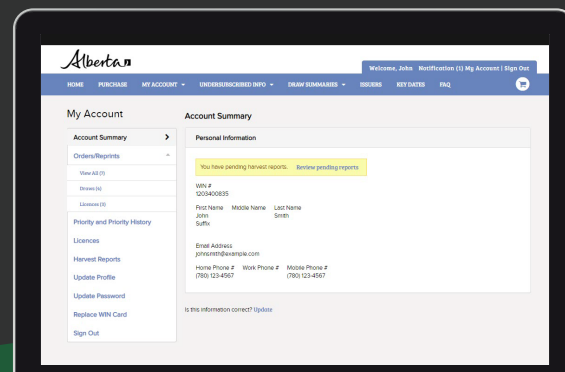

1 Sign in with your WIN or the identifier on file.

2 Under My Account select Account Summary then select Review Pending Reports to complete your reporting.

3 Or select the Harvest Reports tab under My Account to be taken to your pending reports.

4 Select Report Effort & Harvest then answer the questions to complete your reporting.

5 You're all set!

Note: You can review or modify your Reporting in the App and online by selecting Harvest Reports.

Harvest and Effort Reporting is a vital component to help sustainably manage Alberta's wildlife populations and in setting future draw quotas. Alberta Environment and Parks would like to thank all hunters for their participation.
